

UNIT COMMISSIONER FOCUS

The BSA needs unit commissioners to focus on the following four primary areas:

- **Supporting unit growth in the Journey to Excellence criteria:**
JTE measures performance characteristics that unlock the door to a successful unit. We should analyze the unit's program and identify JTE areas where help is needed to move the unit to a higher level of JTE success.
- **Linking district committee resources to the unit:**
We should support the district committee's delivery of a "catalog of services" to support the specific JTE elements needed for a particular unit's health and success.
- **Visiting units and logging the visits into the Unit Visit Tracking System (UVTS):**
Our core task remains visiting the unit. UVTS input feeds critical information to the district committee to help link resources to the unit.
- **Supporting on-time charter renewal:**
The commissioner's focus is the retention of the unit, though we should be especially mindful of supporting new youth membership efforts as we move more toward a volunteer-led, professionally guided approach to increasing membership.

If a Unit Commissioner just does these four things, he/she will have provided good service!
