

INTERNET ADVANCEMENT

Required Starting January 1, 2015

BENEFITS:

- Provides straightforward, intuitive interface for volunteers
- Helps in certification of Eagle Scout Rank Applications
- Records ranks, badges, and awards in accordance with BSA advancement rules
- Consolidates data files to reduce or eliminate record gaps
- Assures advancement is counted in the JTE

All advancement records will be required to be submitted and managed through Internet Advancement beginning January 1, 2015.

Internet Advancement is for reporting Cub Scout, Boy Scout, Varsity Scout, and Sea Scout ranks; Venturing advancement awards; Webelos activity badges; merit badges; and various other awards available in all BSA programs.

Internet Advancement can be accessed through the council website or through MyScouting.org.
