Westmoreland Community College

A trained Commissioner is an effective Commissioner!

The College of Commissioner Science is a day of training for commissioners from basic through advanced learning experiences in unit service. The goal of this experience is to promote the increased effectiveness of the individual commissioner.

This ongoing training opportunity will benefit new commissioners and experienced unit commissioners. Any adult leader that is interested about the numerous resources available in the Scouting movement is also invited to attend.

\$25 registration fee includes continental breakfast, lunch and all training materials.

\$5 discount if registered before February 17
