## **Commissioner Pledge**

On my honor I will do my best, by the example of my daily life, to make the Scout Oath and Law a more vital force for good character and citizenship in the lives of the boys and the leaders I serve.

I will do my best to help secure and to help make more effective, the finest possible leadership for the units I serve.

I will do my best to help make the program of the units I serve the best it can, rich in wholesome fun and adventure.

In all that I do, I will strive to help my units attract into membership every possible boy so that, through his participation, that boy, can help make America a finer, greater nation in the world community.
